Major Achievements :

As a Director of Dairatul Maarifil Osmania prepared & designed a prestigious project for :

- 1) Translating all the Arabic books of Daira into English.
- 2) Reprinting all old books on off-set .
- 3) Digitalization of all the books of Daira.

With the above three areas, the project was submitted to Ministry of Minority Affairs Govt. of India under "HAMARI DHAROHAR" Scheme in 2014.

Sensing the need and importance of the project Govt. of India was kind enough to sanction a huge grant of Rs. 37 crores for the project. Honorable Minister of Minority Affairs, Dr (Mrs) Najma Hipatullah visited Daira in 2015 and inaugurated the project by releasing the first instalment of Rs.2.7 crores.

The project will help strengthening Indo- Arab Relations and will attract desirous Arab inventors.
